

**Inspector**  
**Regina, SK**

**A safety mindset, attention to detail, and passion for quality are required!**

**You are:**

Mechanically inclined and enjoy hands on work. You have a team-first mentality and joining an industry-leading quality inspection team aligns with who you are. You enjoy being outdoors and seek diversity in your working environment. You are not intimidated by cutting edge technology, large industrial equipment, or getting dirty when required. You can effectively manage time and priorities to meet deadlines, are passionate about safety, and enjoy interacting with customers. ***You seek to grow your skillset in an organization that provides on-the-job learning experience and funds training to advance your career.***

**You have:**

- A minimum of Grade 12 or GED education
- Good vision (with or without glasses) and colour vision
- A valid Class 5 driver's license
- Computer skills including Microsoft Office

**An Inspector:**

- Works in the field under the remote direction and support of an engineer
- Performs examinations on in-service cranes, lifting equipment, and industrial structures
- Prepares organized reports detailing examination findings
- Sketches, measures, and photographs equipment
- Overnight travel may be required and is primarily within Saskatchewan though occasionally includes out of province travel
- Regularly works at heights and occasionally in confined spaces

**We are:**
