

Equipment Inspector
Saskatoon, SK

[Click to Apply](#)

We are:

Kova Engineering (Saskatchewan) Ltd. is a diverse and unique engineering and consulting company with over 25 years in the crane and lift equipment industry in Saskatchewan. We provide exceptional and personalized services to our customers and are constantly growing our scope of services to include innovative technologies and techniques. The key to our success is our employees who are hardworking, professional, and value the safety of their co-workers and our customers.

An NDT Inspector:

- Works in the field under the remote direction and guidance of an engineer
- Performs examinations on in-service cranes, lifting equipment, and industrial structures
- Prepares organized reports detailing examination findings
- Sketches, measures, and photographs equipment
- Travels to job sites within Saskatchewan and Manitoba with overnight stays
- Regularly works at heights and occasionally in confined spaces

You are:

You are a mechanically inclined individual who can adapt to shifting priorities and schedules. Cooperating with others to meet objectives, working with machinery, and being outdoors year-round are what you enjoy at work. You're not afraid to get your hands dirty or work with new technology. You can effectively manage time and priorities to meet deadlines, care about safety on the job site, and enjoy interacting with customers. You thrive in an environment that provides on-the-job learning experience and opportunities to advance your career by rising to technical challenges. In the past, you've worked on a construction or industrial site, in a fabrication shop, or worked with machinery and equipment.

You have:

- A minimum of Grade 12 or GED education
- Satisfactory near vision (with or without glasses) and colour vision
- A valid driver's license
- Computer skills including Microsoft Office

Certification from NRCan in MT, PT, or UT is not required, but individuals with those certifications are encouraged to apply.

We offer:

- A competitive wage
- Health and dental benefits
- Life and critical illness insurance
- Paid training
- Use of a company vehicle

Please Note:

Due to COVID-19, we will not be accepting walk-in applicants at our office. Only those selected for an interview will be contacted by email.
