

## **UT2 Inspector** **Saskatoon, SK**

### **We are:**

Kova Engineering (Saskatchewan) Ltd. is a diverse and unique engineering and consulting company with over 25 years in the crane and lift equipment industry in Saskatchewan. We provide exceptional and personalized services to our customers and are constantly growing our scope of services to include innovative technologies and techniques. The key to our success is our employees who are hardworking, professional, and value the safety of their co-workers and our customers.

### **A UT2 Inspector:**

- Works in the field under the remote direction and guidance of a Senior Engineer
- Performs UT, MT, and visual examinations on in-service equipment, materials, and industrial structures
- Prepares organized reports detailing examination findings
- Sketches, measures, and photographs equipment
- Calibrates and maintains NDT equipment
- Provides customers with information regarding codes, standards, specifications, and examination procedures
- Develops UT procedures
- Trains inspectors in UT procedures and processes
- Travels to job sites within central and southern Saskatchewan and Manitoba with overnight stays
- Regularly works at heights and occasionally in confined spaces

### **You are:**

You are a mechanically inclined individual who wants to expand their career in inspection. New challenges, working with machinery, and being outdoors year-round are what you enjoy at work. You're not afraid to get your hands dirty or work with new technology. You take pride in a job well done, care about safety on the job site, and enjoy interacting with customers. You thrive in an environment that provides on-the-job learning experience and opportunities to advance your career by rising to technical challenges.

### **Required:**

- CGSB UT2 Level 2
- Satisfactory near vision (with or without glasses) and colour vision
- A valid driver's license
- Computer skills including Microsoft Office

Certification from NRCAN in MT or PT or from the CWB is not required, but individuals with those certifications in addition to CGSB UT 2 are encouraged to apply.

### **We offer:**

- A competitive wage
- Health and dental benefits
- Life and critical illness insurance
- Paid training
- Use of a company vehicle

### **Please Note:**

Due to COVID-19, we will not be accepting walk-in applicants at our office. Only those selected for an interview will be contacted by email.
