

## Drafting Technologist Saskatoon, SK

We are looking for a Drafting Technologist to assist with new and ongoing projects. The Drafting Technologist prepares engineering calculations, drawings, and related technical information. Under the guidance of the Drafting Manager, the Drafting Technologist performs a variety of work assignments requiring the use of independent judgement.

### Key Responsibilities:

- Develop and prepare engineering designs and drawings from preliminary concepts, sketches, engineering calculations, and other data
- Develop and prepare FEA analysis and engineering calculations for engineer review
- Develop and prepare design sketches in the field
- Complete documentation packages and produce drawing sets
- Work with Project Delivery Office to define and control scope, schedule, and budget on assigned projects
- Participate in company and customer safety program and meetings

### Required Qualifications:

#### Education

- Diploma in Design and Manufacturing Engineering Technology, Engineering Design and Drafting Technology, or similar

#### Experience

- 0 to 3 years of experience as a Drafting Technologist or a similar role

#### Knowledge/Skills/Abilities

- Proficiency in Autodesk AutoCAD and Inventor
- Proficiency in Microsoft Office
- Understanding of project management methodologies
- Knowledge of Vault server is not required, but would be an asset

### Competencies:

- Personal Accountability: Being answerable for personal actions
- Customer Focus: Anticipating, meeting, and/or exceeding customer needs, wants, and expectations
- Teamwork: Cooperating with others to meet objectives
- Problem Solving: Defining, analyzing, and diagnosing key components of a problem to formulate a solution
- Time and Priority Management: Prioritizing and completing tasks to deliver desired outcomes within allotted time frames
- Flexibility: Readily modifying, responding, and adapting to change with minimal resistance
- Goal Orientation: Setting, pursuing, and attaining goals, regardless of obstacles or circumstances
